

Swiftrade GmbH now ISO 9001:2015 certified

Steinhausen, 22. February, 2022 – Swiftrade GmbH is pleased to announce that it has received the ISO 9001:2015 certificate recognizing the establishment and application of its Quality Management System. The certification, covering the complete management system including diverse business processes, was issued by the certification body Schweizerische Vereinigung für Qualitäts- und Management-Systeme (SQS).

ISO 9001:2015 is a globally recognized quality management standard developed and published by the International Organization for Standardization (ISO). The certification provides a model for companies of all types and sizes to use in building an effective quality management system. The standard is based on several quality management principles, including having a strong customer focus, involvement of high-level company management, an outlined process-based approach, and ongoing improvement of the aforementioned approach.

“We are very proud to have received this recognition in such a short time after the establishment of our company. It serves as a testament to the entire Swiftrade GmbH team’s commitment to quality and service.” says Marc Keinert, CEO at Swiftrade GmbH.

The receipt of the ISO 9001:2015 certificate proves the consistent and standardized Swiftrade quality management system. It is strictly focused to fully meet the customer’s needs and issues. The management makes necessary resources available to meet the quality objectives.”
